VALLEY-WIDE PROJECT SEEKS APPLICANTS, VOLUNTEERS TO PAINT HOMES

GLENDALE, Ariz. – Are you a homeowner of a single-family residence who is physically unable to paint your home? Or is your family or group looking for a volunteer project?

The *Rock & Roll Paint-A-Thon* program, presented by Rebuilding Together and Freescale Semiconductor, may be able to help. The program is a community-based effort designed to paint homes of applicants who are 60 years of age or older, have limited financial resources and are unable to do the work themselves.

Glendale residents who match the above criteria are encouraged to apply for the program by Aug. 31. Applications are available by calling Rebuilding Together at 480-774-0237 or online at www.valleyofsun.rebuildingtogether.org

For residents who want to help paint homes, Glendale's Community Volunteer Program is looking for volunteers to participate in the Oct. 28 *Rock & Roll Paint-A-Thon*. Residents can form their own team or contact the Community Volunteer Office to become apart of another team. Individuals, families, businesses, churches, schools, social service and civic groups are welcome.

It is expected that the teams of volunteers will paint more than 100 homes total across the Valley.

If you would like to sign up to volunteer to paint a home in Glendale, please contact the Community Volunteer Program at 623-930-2915.
